The Centre for Blood Research announces

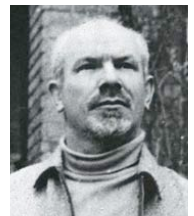

## The 2<sup>nd</sup> Annual Norman Bethune Symposium

**"I have an idea - I think we should organize an ambulant blood transfusion service."**  
Norman Bethune 1936

**Wednesday, April 17, 2013**

Simon Fraser University Harbour Centre, 555 West Hastings St., Vancouver, BC

**Dr. (Henry) Norman Bethune** (1890-1939) was a Canadian physician who in the 1930s spearheaded the implementation of the first practical mobile blood collection and distribution system and promoted universal access to health care. This symposium is held in his honour and will be informative and entertaining, with participation of a full range of scientists and clinicians at all levels of training.

**Submit abstracts/posters! Awards will be given!**
