

e@UBC PRESENTS

Introduction to e@UBC

Hosted by CBR and Department of Microbiology and Immunology, UBC

WHAT IS E @ UBC?

Entrepreneurship@UBC helps entrepreneurial **faculty, researchers, staff, students and alumni** to create innovative new ventures, from idea to funding and beyond.

WHO IS TEACHING?

- Sean Lumb, Director of New Ventures
- Blair Simonite, Program Director at E@UBC

WHAT WILL I LEARN?

We will introduce you to the powerful combination of support and programs that e@UBC provides to help venture teams to increase their likelihood of a successful venture. Your questions and scenarios will be welcome and encouraged!
