

CBR Summer Studentships

Award

The CBR will support 10 summer students with awards of \$5,000 each.

Purpose

- i. to provide research opportunities for students interested in a career in biomedical science

Description & Eligibility

- i. These awards are designated for undergraduate students (year 3 or more) or medical students who are interested in working under the supervision of a CBR Principal Investigator for 3.5-4 months over the summer period.
- ii. There are no restrictions in terms of biomedical discipline, other than the project should be aligned with the mission of the CBR.
- iii. Students must present his/her work or work-in-progress as a poster at the CBR Research Day tentatively to be held at the Life Sciences Centre on August 18, 2011.
- iv. The student must NOT simultaneously hold any other award. However, a "top-up" to bring the payment to an equivalent level to other students may be provided at the discretion of the CBR PI supervisor.
- v. Only 1 award may be held per CBR Principal Investigator.

Application Procedure

Applications are submitted by the CBR PIs by e-mail to: Ed Conway emconway@interchange.ubc.ca.

There is no specific application form. On a single letter-size page, with font equivalent to or greater than Times 11, the PI should provide a brief description of the project, who will supervise the student, how the student will participate, and what s/he is likely to accomplish in terms of knowledge and skills. If a student has been identified, please attach his/her c.v. (maximally 3 pages).

Time Line

Deadline for Application: March 15, 2011

Notification of Decision: March 30, 2011

Reports

Before Sept 15, 2011, the student recipient of the award must submit a 2 page report of his/her experiences and accomplishments and an evaluation of the rotation, to be submitted to Ed Conway.

Other stuff

The CBR should be acknowledged in publications and presentations of work arising out of this award.

Questions should be directed to [Ed Conway](#)
