

RESEARCH DAY

TUESDAY
AUGUST 13th, 2019
12:00 - 7:00PM

**UBC LIFE SCIENCES CENTRE,
WEST ATRIUM,
2350 HEALTH SCIENCES MALL,
VANCOUVER**

In Partnership with UBC School of Biomedical Engineering

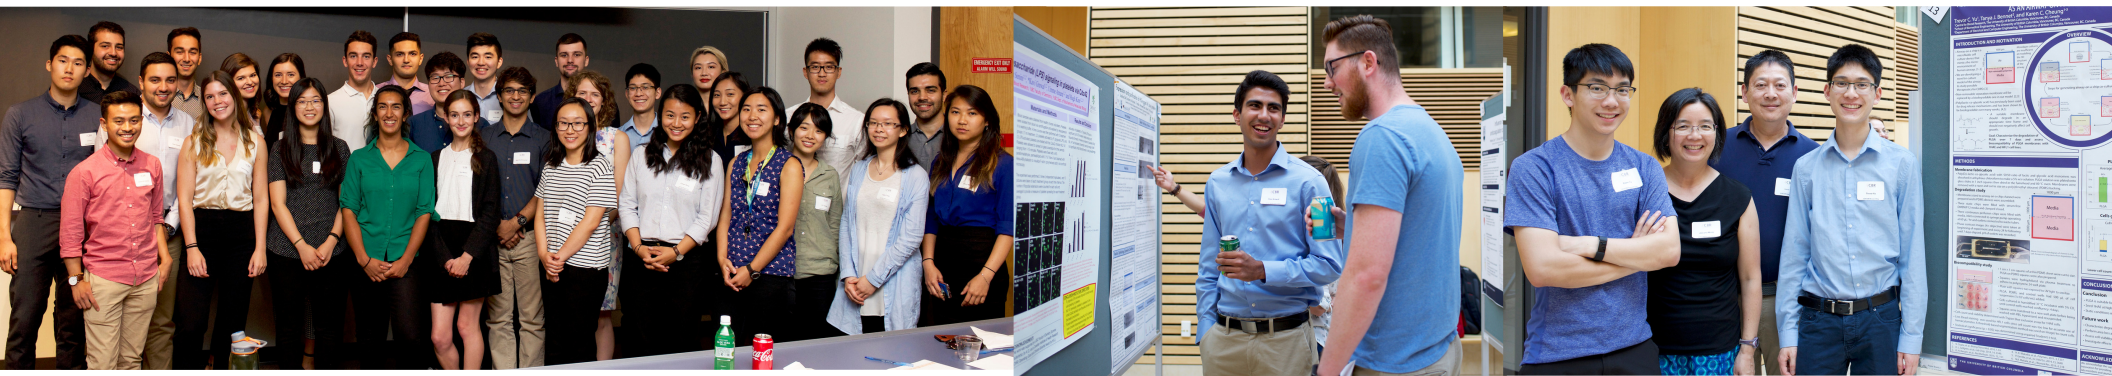

KEYNOTE SPEAKER: DAVE IRELAND

Biologist • Storyteller • Instigator

"MARKETING NATURE AND THE RISE OF CITIZEN SCIENCE"

Dave works at the intersection of science, policy, and public engagement for the conservation of Nature. He is a storyteller and an agent of change. Dave lives in Dartmouth, Nova Scotia and currently works for a coalition of environmental non-profit organizations in Atlantic Canada with the shared goal to protect ocean biodiversity. Previously, Dave was the Managing Director, Biodiversity at the Royal Ontario Museum and the Senior Curator, Environment at the Toronto Zoo. Dave is a leader and collaborator, and has over 20 years of experience helping regional, national, and international communities achieve their conservation goals.
