

2019 CBR-SBME SUMMER STUDENTSHIP PROGRAM

Welcome!

The Kick-off event for the Summer Studentship Program will be the **Welcome Potluck on Thursday, May 9.**

The events are listed below. For each event, you will receive email reminders and further information closer to the dates. Please be advised that you are required to attend all of the **Tours (3)** and **Skills Sessions (4)** and to present a poster and an oral talk at the **Research Day**. Please also plan to attend the **CBR Socials**, as it is a good opportunity to connect with faculty, staff, and other students.

At the end of the program, please submit your **one-page program report**, summarizing your accomplishments in the summer program and how it contributed to your research and career goals, to Stefanie Mak (stefanie.mak@ubc.ca). Please also complete the online survey (link will be sent out after Research Day). **Submission deadline: August 30th.**

If you have any questions, please email Nicole Rosin (nicole.rosin@ubc.ca) or Stefanie Mak (stefanie.mak@ubc.ca).
