

The Centre for Blood Research presents

CBR SEMINAR SERIES

Wednesday, November 16, 2022
1:00PM - 2:00PM PT

Life Sciences Centre
1003 (LSC3) & Zoom

"BIG DATA Applications in Transfusion Medicine, Silos No More"

DR. RUCHIKA GOEL, MD MPH

Associate Professor, Internal Medicine and Pediatrics, Div. of Hematology/Oncology, Simmons Cancer Institute at SIU School of Medicine

Medical Director, ImpactLife Blood Center

Adjunct Faculty, Department of Pathology, Div. of Transfusion Medicine, School of Medicine, Johns Hopkins University

The talk will aim to provide an overview of application of Big Data analytics in furthering transfusion medicine research and outcomes and identify various needs and gaps. The lecture will identify various possible available and accessible resources for big data applications. Limitations and scope of big data research will be discussed. Finally, the speaker will lay out a model for the future, aiming for some precision transfusion medicine applications from big data.
